## WHICH B2A PROGRAMS ARE RIGHT FOR ME?

At B2A, we have a highly personalized approach.

Schedule your free diagnostic test and consultation today, and we will not only make program suggestions based on your student's unique needs, but we will also assess your profile to advise you on how to best prepare for college admissions.

## HOW IS B2A SO SUCCESSFUL IN HELPING STUDENTS GAIN ADMISSION TO SELECTIVE COLLEGES?

Not only do our college counseling programs have the most experienced and knowledgeable college admissions counselors, but they also take time to get to know each student to understand their unique goals and aspirations in order to thoughtfully guide them each step according to a highly strategized and personalized college admission plan

With our support students are passionate and clear about their goals--and have the academic and extracurricular track record to show for it, standing out in even the most competitive applicant pool!

## WHAT MAKES THE GATEWAY PROGRAM SO UNIQUE?

While other application/essay guidance services are often too nearsighted, Gateway counselors acknowledge the full picture that each component of a student's application paints to create a cohesive and compelling overall impression.

From essays to activity descriptions, we help you carefully curate every inch of the application to fully capture the amazing applicant you are. Applications and essays are read by real people, and we can help you build a winning application package that will have them rooting for you by the end of their reading.

## WHAT DO COLLEGES LOOK FOR IN STUDENTS?

Colleges select students based on a holistic review which includes evaluating their GPA, SAT or ACT score, AP/IB Exam scores, extracurricular activities and achievements/awards..

Basically, do your best academically, choose activities helpful for your intended major, and invest time and effort into your applications and essays, so that colleges can understand what an awesome student you are and how you can contribute to their campus.

## SHOULD I TAKE THE SAT OR ACT?

Colleges do not prefer one test to another, and both SAT and ACT are equally valid for college admissions. They cover similar topics but SAT is trickier while ACT is more time-restrained.

Take SAT and ACT diagnostic tests with us to compare your scores on the two exams! Then choose the test you feel more comfortable with and can score higher on.

**ASHNA SHAH**  
Rice University

"Berkeley2 Academy was an incredible tool in guiding me in writing my essays. Their writing tips pushed me to search what qualities defined me and integrate these qualities throughout my essays and stories. With one-on-one mentorship, I felt comfortable with diving deep into my stories to write my essays and receiving constructive criticism. They showed me how to tie together my experiences and passions in a way that showed colleges exactly who I was in a unique way. Their organized schedule made sure I stayed on task and worked efficiently, and they provided many resources to support me."

**JASON ZHAO**  
Stanford University

"One of the reasons I loved B2A's Gateway program was that it offered me a counselor who worked with me one-on-one, learned my personality, and guided (though never forced) me through the application process. My counselor knew me well enough to tell me that certain phrases in my essays "weren't Jason," or that I needed to add a certain "Jason touch" to a paragraph or two."

**GLORIA SU**

**Admitted to 5 out of 8 Ivy League Schools,  
Including Harvard!**

"Berkeley2 Academy has the wealth of resource. Through a little push, I increased my SAT scores allowing me to have a greater change in being admitted to the Ivies. The counselors also helped me to be productive and to be on top of things, which was really helpful."

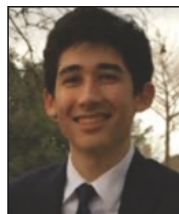

**LIAM FERREIRA**  
Baylor-Baylor BSMD

"I really appreciate the instruction I received from the teachers at Berkeley2 Academy. The SAT prep classes, tutoring, and advice helped me in the college application process. I would recommend Berkeley2 Academy to students who want to achieve their academic goals."
